

Specifications ----Model No. KS-16S (Matt Black /Gray)

<p align="center">Ref. Photo</p>	
<p align="center">Hightlights</p>	<p>1, Integrated trolley bar; 2, LED light decorative cirle; 3, inteligent light control; 4, Brake system by lights front and back. 5, fan cooler inside; 6, Supreme battery 840wh. 7, high speed 1200w power motor 8, phone app & blue tooth speaker 9, LED battery state display, 10,Self-balancing by centering, easy to operate</p>
<p>Product Performance</p>	
<p>top speed</p>	<p>35km/h (Default setting: first level alarm: 18km/h; second level alarm: 19km/h, tilt back: 20km/h)</p>
<p>Mileage</p>	<p>75km</p>
<p>Maximum Gradibility</p>	<p>Around 30°</p>
<p>battery</p>	<p>840wh Lithium battery, with equilibrium, over-charge, over-discharge, over-current protection</p>
<p>Running temperature</p>	<p>-10℃/+60℃</p>
<p>Maximum load</p>	<p>150Kg</p>
<p>charging voltage</p>	<p>Input AC 80~240 V , output DC 67.2V、 2A</p>
<p>charging time</p>	<p>around 6.5hours</p>
<p>Rated power</p>	<p>1200W</p>
<p>Maximum power</p>	<p>3000W</p>
<p>Dimension & Weight</p>	
<p>Dimension of device</p>	<p>506mm (height) x463mm(length) X 196mm (width)</p>
<p>Packing size (mm)</p>	<p>630 * 510 * 210(mm)</p>
<p>Height of pedal</p>	<p>120mm</p>
<p>Tire size</p>	<p>16inch, diameter 417mm</p>
<p>Net Weight</p>	<p>15.5kg</p>
<p>port</p>	<p>charge port; switch port; light sensor;</p>
<p>Protective Measures</p>	
<p>Tilting Protection</p>	<p>45° side to side left and right. (Motor stalls when over 45°) Place the machine vertically on the ground to restart automatically, no need to restart manually.</p>
<p>Speed Limit Protection</p>	<p>voice warning + light warning while reching limit speed</p>
<p>low battery protect</p>	<p>protect start once battery down to 40%. speed limit would linear change with the battery capacity, vocie warning would start at 5% battery left,rocker would happen under the 1% battery left</p>
<p>Message</p>	
<p>Battery</p>	<p>RGB light would display the battery when device stays static under 'power on' state</p>
<p>Voice warning</p>	<p>(Your device is in low battery, please charge it) 、 (Pls decelerate)、 power on (Hello, King Song) 、 (Bluetooth is connected) 、 (Bluetooth is disconnected) 、 (Be caution, over voltage) 、 (Be caution, over power)</p>
<p>packing</p>	
<p>Accessory</p>	<p>charger x1, user mannuel x1, Warranty card x1, certificate x1</p>
