

Specifications ----Model No. KS-18S (White/black)	
Ref. Photo	
Highlights	<p>1, Brake system by lights back and illuminating via front one. 2, USB charger ; 3, Supreme battery 680/840/1360wh. 4, high speed 1500w power motor 5, phone app & BT HI-FI 4 speakers 6,Self-balancing by centering, easy to operate 7, top quality cushion, thoughtful design for long mileage.</p>
Product Performance	
Top speed	40km/h after unlock, Top speed be 50km/h after 1000KM total mileage (Default setting: first level alarm: 18km/h; second level alarm: 19km/h, tilt back: 20km/h)
Mileage	60~70km(680wh)/ 70~80km(840kw)/120~130km(1360wh)
Maximum Gradibility	Around 30°
battery	680/840/1360wh Lithium battery, with equilibrium, over-charge, over-discharge, over-current protection
Running temperature	-10℃/+60℃
Maximum load	150Kg
charging voltage	Input AC 80~240 V , output DC 67.2V、2A
charging time	around 5.5~11hours
Rated power	1500W
Maximum power	3600W
Dimension & Weight	
Dimension of device	506mm (height) x465mm(length) X 190mm (width)
Packing size (mm)	760 * 500 * 220(mm)
Height of pedal	130mm
Tire size	18inch, diameter 480mm
Net Weight	Around 18kg
port	charge port; switch port; light sensor; USB 5V/2A port;
display board	10 levels LED display design for power volume
Protective Measures	
Tilting Protection	45° side to side left and right. (Motor stalls when over 45°) Place the machine vertically on the ground to restart automatically, no need to restart manually.
Speed Limit Protection	voice warning + light warning while reching limit speed
low battery protect	protect start once battery down to 40%, speed limit would linear change with the battery capacity, vocie warning would start at 5% battery left,rocker would happen under the 1% battery left
Message reminder	
Power volume	10 levels when full charge or above 85% power, all will flicker when 5% power.
Voice warning	(Your device is in low battery, please charge it) 、 (Pls decelerate) 、 power on (Hello, King Song) 、 (Bluetooth is connected) 、 (Bluetooth is disconnected) 、 (Be caution, over voltage) 、 (Be caution, over power)
packing Standard	
Accessory	charger x1, user mannuel x1, Warranty card x1, certificate x1
